

OACRAONS November 30, 2011

Greetings from OACRAO! I hope everyone enjoyed the fall conference. We owe another HUGE Thank You to The University of Central Oklahoma and Dr. Myron Pope for hosting the annual conference and for the financial support provided for the facility. Attendance was up again this year. The two-day, centrally located conference seemed to be compatible with the institutional budget restraints we all face. This year conference attendees donated 190 lbs. of canned goods and other items in addition to monetary contributions for the Regional Food Bank. OACRAO members can still continue to make donations by using the following link http://rfbo.convio.net/site/TR/Events/General?pxfid=1860&fr_id=1040&pg=fund. I encourage all mentors to keep in touch with their mentees throughout the year as we continue to enhance our OACRAO networking system. This is an excellent opportunity to build rapport with our colleagues. Just a reminder, SACRAO will be in Newport, Kentucky, next year on February 11-15, 2012. The OACRAO Frontline Policy Workshop also is scheduled for February 24, 2012, at the Embassy Suites in Oklahoma City. AACRAO next year will be April 1-4, 2012, in Philadelphia. Please make note of these dates.
