

OACRAO Executive Committee

On behalf of OACRAO, we would like to welcome you to the organization. One of the many benefits of membership in OACRAO is communication through our OACRAO-L list serve. It is used to notify members of meetings and events, to exchange ideas and discuss issues. To subscribe to the OACRAO-L, please go to <http://lists.onenet.net/mailman/listinfo/oacrao-l> and follow the instructions to add yourself.

OACRAO provides several opportunities for professional development throughout the year. First, we host a one-day Spring Policy Workshop held in late February to provide policy updates that have occurred throughout the year. Second, we offer the Summer Frontline Staff Workshop, a one-day event in June that is intended for frontline employees in the Admissions and Registrar professions. Finally, we host the Fall Conference in early October. This is a three-day event with multiple session options to choose from. We encourage you to attend any of the events offered.

If you are interested in becoming a part of the OACRAO executive committee or would like to serve on one of the many sub-committees, please do not hesitate to contact me for further information.

Once again, welcome and we look forward to seeing you in the near future.

Sincerely,

Sherryl Nelson, Northern Oklahoma College
